Cancellation policy

Cancellations by participants are possible up to one month before the start of the project. In this case, a cancellation fee of 50 euro will be retained and the amount already transferred will be refunded. For cancellations after 6th June 2022, the deposit of 800 euro will be retained. 750 euro (800 euro minus cancellation fee) can be redeemed in 2022 and 2023. Any amount over 800 euro will be refunded. With the payment of the deposit a place is reserved bindingly and obligates to the payment of the participation fee.

If summer 2022 remains subject to COVID-19 restrictions, the following special rules will apply: If you are unexpectedly unable to participate in the ATLAS programme due to an official entry ban (with appropriate official notification), infection or reasonable suspicion of infection with COVID-19, or other serious illness (with submission of a medical certificate), you will be credited the project fee for future participation. The credit can only be issued if you notify us immediately after the above conditions occur. If you do not notify us in a timely manner or if you do not participate in the ATLAS programme without notifying us, you will not be credited for future participation, even if you have a medical certificate. The decision is always made at the discretion of the management. Should the festival or the ATLAS programme have to be cancelled, the full amount will of course be refunded – pro rata if the ATLAS programme has already begun. However, any expenses already incurred for the festival visit (arrival/departure costs, accommodation costs, etc.) cannot be reimbursed.
